## **Blossom tour and tasting at Gold Ridge Organic Farm**

---

One of spring's most popular events is the Apple Blossom Festival that happens on April 27-28. And there's no better place to see the blossoms' full beauty than during a guided tour through Gold Ridge Organic Farm's apple orchard. Join farmer Brooke Hazen at 11 a.m. or 1 p.m. April 27 as he leads you on a walk through some of his 12,000 apple trees, which are bursting with blooms in every imaginable shade of pink, white and violet. Although there are no apples this time of year, tours will include a tasting of the farm's apple products, including apple cider syrup, apple cider vinegar, and shrubs made with some of the citrus grown on the farm, as well. Tickets are \$25 and can be purchased at [bit.ly/3xA8YgS](https://bit.ly/3xA8YgS) 3387 Canfield Road.
